Subject: Commissioners - sporting clays

Hello,

I saw the article in the Record a few days ago about the proposed sporting clays range down in the canyon at Red's.

I would like to express my fervent desire that this be approved - there isn't anywhere around here to shoot (that isn't a private club). And the location sounds like a good one.

Please, please approve this. Sporting clays are a blast (pun intended).

Thanks

Cheers, Bob
