Good afternoon Igor.

The commissioners voted to accept the Hearing Examiner's recommendation of approval on the Rocky Coulee Tent Camping CUP Cu-13-00004 on 9/17/13. They will sign the Resolution on Oct. 1st. It takes a couple of days for that to get back to me so I can issue the Notice of Decision which will start the 21 day LUPA process. Once past that, you can work towards meeting your conditions of approval for the county to sign off on and issue the actual Conditional Use Permit.
