

KITTITAS COUNTY
DEPARTMENT OF PUBLIC WORKS

MEMORANDUM

TO: Lindsey Ozbolt, CDS
FROM: Christina Wollman, Planner II *CW*
DATE: August 8, 2013
SUBJECT: Rocky Coulee Campground CU-13-00004

Kittitas County Public Works has reviewed the application for a campground at the end of Recreation Drive. We do not foresee impacts from the campground due to the area already in use as a recreation site. The proposal will improve the site with designated parking areas and a turnaround. GPUD has conferred with Public Works to ensure their design meets standards.

Public Works requests the following condition:

1. The site must be constructed as designed and approved by the County Engineer.
