Hi Dr. Hayden.

I am working on the review currently and will let you know the status in the next day or so. So far I have not had any issues with the info I have reviewed.

Regards,

Lindsey,

We are hoping to have our new building inspected for occupancy on December 18 or 19. Can you let me know the status of your review of the final items I provided to you the last couple months, and if there is anything else you need from me?

Thanks,  
Dr. Mark Hayden
