Hi Mark,

The 21 day appeal period ended yesterday, February 3rd. There were no appeals filed.

You will need to meet all of the conditions of your approval (included in the resolution) and provide proof to Community Development Services that these conditions have been met prior to operation of your conditional use permit. We will review and verify the information you submit to us and issue you a conditional use permit certificate upon completion of all conditions.

Please let me know if I can be of further assistance at this time.

Regards,
