Good morning Dr. Hayden.

Attached to this email is a pdf of the Deem Complete Application letter for your Valley Vet Animal Hospital Conditional Use Permit. This letter has been placed in the mail to you.

The next step is to post the site with the County's land use action sign and return the affidavit of posting with picture to CDS. Once this has occurred further processing can take place. The land use action sign is available at the front desk of the CDS office during normal business hours.

Please let me know if you have any questions.

Regards,
