Hi Rick and Mark,

I don't see that you were notified of this project. It's farmworker housing on Burbank Creek Road. Their transportation concurrency application states that traffic will be decreased by this project because the workers will live on site instead of being transported on site each day during the picking season. That application is attached. Please let me know if you have any concerns with this project because as of now Public Works will have no conditions.

The link below does not work. Use <http://www.co.kittitas.wa.us/cds/land-use/default.aspx>

Thank you,
