**SUBJECT:** Larson Orchards CU-13-00007

---

Kittitas County Public Works has reviewed the application for farmworker housing. The applicant has stated that this housing will reduce the traffic impacts by reducing the number of vehicle trips coming to the site. Instead of transporting workers to the site daily, workers will be living on site and will not need to commute. A Determination of Transportation Concurrency has been issued and no adverse impact to the transportation system is expected.

The applicant should be aware that each structure will require an address, which can be obtained through application to the Public Works Department.
