**Subject:** RE: Notice of Application : CU-14-00002 NMF Enterprises

Hi Kaycee,

I didn't actually read where the processing was going to occur inside a barn or garage, however, if such processing where to occur, the applicant may need a change of use occupancy permit and plan review depending on the existing and proposed uses. The Fire Marshal's Office may have additional requirements depending on the proposed uses as well.

I hope I have answered any questions you might have and thanks for the opportunity to comment.
