Written Comments on this proposal can be submitted to CDS any time prior to 5:00 p.m. on June 23, 2014. Under Title 17.15.060.1, Marijuana processing and production projects are processed in an abbreviated administrative format, which does not involve a public hearing. All comments will be considered in the decision making process, and any person has the right to comment on this application and receive notification of the Community Development Services administrative decision, once made. Appeals to an administrative land use decision may be filed within 10 working days with the board of county commissioners as outline in Chapter 15A.07 of the Kittitas County Code. The current appeal fee is \$500.

Environmental Review (SEPA): The County expects to issue a Determination of Non-Significance (DNS) for this proposal, and will use the optional DNS process, meaning this may be the only opportunity for the public to comment on the environmental impacts of the proposal. Mitigation measures may be required under applicable codes, such as Title 17 Zoning, Title 16 Subdivisions, and the Fire Code, and the project review process may incorporate or require mitigation measures regardless of whether an EIS is prepared. A copy of the threshold determination may be obtained from the County.
