Hi Jeff,

I left you a message just to let you know that our deadline for publication for tomorrow's paper is at 11 am today. We are holding off on publishing for tomorrow until I hear back from you, but please let me know if you are needing the ad to run tomorrow or if it will have to wait until a later date.

I'll need to check with the boss; timelines can be critical for appeal periods and such. I was shaving this one pretty close to begin with.

Hi Jeff,

I have to apologize about a mix up with this ad. Because of an oversight on my part, it's not going to run today as originally scheduled. I can get it in for tomorrow if that will work for you. I apologize for the inconvenience that this will cause.
