Subject: RE: Notice of Application : CU-14-00005 McDonald

Was able to access. The following is our input on the proposed CUP:

- Access to all improvements must meet current edition of the IFC – Appendix D.
- Keyed access to all secure facilities – Knox box.
- Information related to any special support systems – (CO2, chemical processing etc...)
- Addressing clearly visible from both directions of travel and all buildings clearly labeled.

Thank you for your consideration in this matter.
