Hey Kaycee,
Can you please keep me in the loop for this story?
If you can alert us a day or two before an expected decision is released, that would be really helpful!

Thanks again for everything,

Subject: I-502 in Kittitas County

Dear Ms. Bui,

Please see the below information as follow up to the questions you had from our meeting earlier today.

[HERE](#) is a link to the 2014 Comprehensive plan Ordinance adopted by the BOCC on December 2, 2014. This has the old and new language for I-502, growing and processing, in Kittitas County. I believe what you are looking for should be around page 97 give or take a few pages.

[HERE](#) is all the requirements of a Conditional Use Permit. The County follows the review criteria of a conditional use permit for and administrative conditional use permit.

If you have any further questions please feel free to contact me.

Thank you,
