Kittitas County Community Development Services

Ellensburg, WA 98926

Dear Ms. Hathaway:

Thank you for taking the time to consider my concerns regarding the Administrative Conditional Use Permit submitted by the representative of Kittitas County Tax Parcel No. 19660, marijuana production and processing facility Old McDonald's Farm, TJ McDonald, a WSLCB applicant (Status is Pending Not Issued as of 12.26.2014). This does not fit within the basic I-502 rules per WSLCB.

This is a very residential part of our county (fig. 1 ). This image clearly shows a cluster of residential neighborhood.

Due to the reasons stated above and the included images, I respectfully request that the County challenge this operation.

Additionally, I'm concern with the crossover of their medical marijuana delivery service [www.rodeocitymeds.com](http://www.rodeocitymeds.com). I don't believe the rules for I-502 allows any connection to retail sales or medical as a production or processing facility.

Sincerely yours,

Laurie Haberman
