Subject: TJ McDonald cannabis grow operation

I live at 1321 Emerson Road and I urge you not to approve the zoning application for this project. I believe it will negatively impact my neighborhood with more traffic, more illegal activity and cause property values to fall. I am assuming they will have to have a lot of security for an outdoor grow. I do not want my neighborhood to become a militarized zone. I strongly urge the CDS to turn down approval for this project.

Linda Morrison
