Re: CU-14-00005, Old McDonald's Farm

Dear Ms. Hathaway:

I have noticed, and it has been brought to my attention by others, that my two comment letters dated December 24, 2014 regarding the above-referenced Conditional Use Permit application are indexed on your website in a way that makes them difficult to identify. The following two links contain the letters:

[CU-14-00005 McDonald Comment Heather Hazlett Email Chain with attachments](#)
[CU-14-00005 McDonald Comment Heather Hazlett Slothower Letter](#)

The first of the two links is problematic because it does not reference my comment letter and the letter is appended to the end of the PDF file the link opens, which makes it difficult to find. As received by the County, the letter was at the beginning of the PDF file and the exhibits followed the letter in alphabetical order. Is it possible for you to move the pages of the letter ahead of the exhibits in that PDF? Additionally, could the link reference my comment letter?

Thank you for your assistance. I look forward to hearing from you.

Very truly yours,

Jeff Slothower
