Thank you.

Also, would it be your office who is handling the permit for the Water Park?

Trying to get more information on progress – saw in the Daily Record they were beginning construction, but last I heard not everything was approved yet.

Hi Kaycee,
Are there any updates on this?

Dear Ms. Bui,

Please see the below information as follow up to the questions you had from our meeting earlier today.

[HERE](#) is a link to the 2014 Comprehensive plan Ordinance adopted by the BOCC on December 2, 2014. This has the old and new language for I-502, growing and processing, in Kittitas County. I believe what you are looking for should be around page 97 give or take a few pages.

[HERE](#) is all the requirements of a Conditional Use Permit. The County follows the review criteria of a conditional use permit for and administrative conditional use permit.

If you have any further questions please feel free to contact me.

Thank you,
