I was presented this issue this morning. In past situations, I have determined that non-substantial errors do not need subsequent notice. I still consider this a scrivener error and will not be issuing an amended notice.

When I talked to Neil yesterday he indicated you would be amending your notice. I assume there has been a change of plans.

Jeff;

Thank you for pointing this out. We will not issue an amended notice. We will mention it as a scrivener error, but the content and dates are correct which is the purpose of the note. The appellants have the right to appeal the decision by the date of indicated on the notice.

Kaycee

I request clarification. Your SEPA notice and the MDNS that Doc signed provide that "pursuant to Chapter 15A.04.020". KCC 15A.04.020 was repealed by ordinance 2015-015. Therefore I think your SEPA notice maybe defective. Can you please advise what the new reference should be and whether you intend to issue an amended notice?

Thanks

Jeff
