Landscaping Budget

Ellensburg tree farmer Melvin Judd, (253 691 4771) sells Blue Spruces for \$5 each. When Buying 75 - 100 trees Melvin quoted me \$4 each. Then told me in a full days work I should be able to plant all these trees. Our current KRD flood irrigation system will keep these trees watered.

These trees grow wide and are native to our area. More importantly to our farm they will be clean and pretty.

\$300 - \$400 in Trees + \$100 in Planting is \$500 total.

125% bond of \$500 is \$625
