Hi Lindsey,

I'm heading into a meeting at the moment, but I wanted to touch base with you about the hearing date (still May 21?) and time for this project. Also, if you require any additional information, please let me know. If you are available today, I would like to chat with you for a few minutes. Could you give me a call when it is convenient for you after about 10 this morning? That would be great.

Thank you,
