Chris,

At the end of the comment period, which ends at 5pm today, I will compile all comments received and forward to them for your review along with a transmittal letter. Hopefully I will have that compiled and sent out tomorrow, Monday at the latest. These comments will also be placed on line. At that point you have the ability respond to comments if you so choose. Once comments have been reviewed we can discuss how to proceed.

Hello Lindsay,

Please let me know how to proceed with this. If you require comments back from WDFW, I can provide them to you. Our SEPA coordinator is on leave for a couple weeks, but I can have a revised SEPA DNS with modifications approved within a couple weeks. Any other materials that the county requires will be provided.

Thank you,
