Subject: Hearing examiner decision on CU-14-00006 & SD-14-00003

Good afternoon — I just called Ms. Ozbolt looking for an update on the Hearing Examiner's decision on the above-referenced permits. Her voicemail indicated that she is out of the office until Monday, and I was directed to Jeff Watson. I left a voicemail for Jeff and am following up here.

The Hearing Examiner indicated that his decision on these permits would be issued within 10 working days of the June 11th hearing, which was yesterday. We have not yet received a copy. Presuming that a decision has been issued, please email it to me at this address at your earliest opportunity.

Dear Mr. Examiner:

Would you kindly apprise my office of the status of issuance a final decision by your office in the aforementioned CUP applications? If a decision has been reached, I would appreciate receiving an electronic copy in Adobe PDF format for my records via my email address.

If a decision has not been reached by your office, please indicate a date upon which such a decision is to be rendered.

Thank you for your assistance in this matter.

Sincerely,
