Hi Ninon.

Thanks for the getting back to me. I just checked with our Hearing Examiner and he is unavailable the night of our regular hearing. I can either schedule this project for February 4<sup>th</sup> or February 25<sup>th</sup> at 6pm. Please let me know which one you prefer.

Thanks.

Hello Ninon,

I am working on your SEPA determination and hope to have that wrapped up by the middle of next week. When the SEPA Determination is published, the public hearing before the Kittitas County Hearing Examiner is also scheduled. In order for me to do that I need to know if you are available to attend the next available hearing which is January 28<sup>th</sup> at 6pm. The following date would be February 11<sup>th</sup> at 6pm. There is a 10 working day appeal period on the SEPA determination that has to pass without an appeal before the hearing can occur.

Please let me know.

Regards,
