Re: OneEnergy Development LLC/Iron Horse Solar Farm, CU-15-00006

Dear Mr. Kottkamp and Counsel:

I am writing to advise you that this law firm represents Applicant OneEnergy Development LLC with respect to the Iron Horse Solar Farm. Please provide me with copies of all further notices and correspondence.

I am also writing to suggest that, with the continued hearing, a bit of a prehearing process might be a good idea. I am, of course, entirely deferential to Mr. Kottkamp in this regard, but at least a schedule for a prehearing exchange of witness lists and legal argument could be helpful to ensure a fair and orderly process.

Thank you for your attention to this matter.

Very truly yours,

Timothy L. McMahan
