RE: Project Iron Horse
File Number CU-15-000006
Applicant: OneEnergy Development LLC
Agent for Bill Hanson, landowner

Mr. Watson;

I am against the above referenced project for the following reasons:

The proposed project is not essential nor desirable to the public convenience.
The proposed project is not compatible with existing neighboring land uses.
The proposed project is not consistent with the intent nor the character of the zoning district in which it is located.
The proposed project does not preserve the "rural character" as defined in the Growth Management Act.

Thank you,
