Scott;

This is a fairly large file and has to be lifted? The following link has the appendices in them. Is this what you are looking for?

Jeff,

In their application, they refer to several appendices but can't find them loaded onto their application link. Interested in all appendices, but specifically C-J. Can you send or point me in the direction if they are uploaded and I'm missing? These files are important regarding WDFW comments that we will be sending in.

Thanks.

Scott
