Jeff
Regarding our phone conversation, I changed my mind. I will continue the open record hearing on the merits and combine it with the SEPA appeal hearing. I will not be ready to fairly conduct a SEPA appeal hearing tomorrow and I will do both hearings at the same time. To be fair to all parties and the public process, I need to fairly study and review the SEPA appeal to be prepared to hold a hearing on those issues raised. This is in addition to continuing the hearing to allow for all proper notices to be posted, mailed and published. The hearing tomorrow will be continued. If you give me either a date certain, or if preferred to be continued to a date uncertain, I will prepare an order.
Andy

I just got off the phone with the Commissioner's Clerk; a SEPA appeal is being filed. We felt like this was going to be likely so I constructed the staff report accordingly. I have been instructed to run the appeal prior to the Hearing tomorrow; how does that sit with you?

BTW, I have arranged for us to be upstairs in the court room; it seats more people.
