### MEMORANDUM

TO: Jeff Watson, CDS  
FROM: Kelly Bacon, Engineer Technician I *KB*  
DATE: July 11, 2016  
SUBJECT: Chimpanzee CU-15-00007

The Department of Public Works has reviewed the permit for the Chimpanzee Conditional Use Permit and has the following comments:

- A. Transportation Concurrency: A Transportation Concurrency application is required for the new proposal.
- B. Site Access: Access to the Chimpanzee Sanctuary is located off of Hwy 10 a State Route. Applicant will need to comply with all Washington State Department of Transportation requirements.
- C. Storm Water Plan: A storm water plan prepared in accordance with the Eastern Washington Storm Water Management Manual by a licensed engineer in the State of Washington is required.
