This looks great. The next step will be a notice of application period. I am leaving the county on April 14, 2016 and it has not been determined who will be taking on your application. Once a planner is assigned your application either I or they will inform you. If you have any questions prior to my departure please feel free to contact me.

Hi Kaycee - Photo attached. The sign is at the base of our driveway facing Highway 10.

Thanks

Hello,

On March 31, 2016 the county received a affidavit of posting from John B. Mulcahy indicating that the Land Use Action sign has been posted. Before the county can continue processing this information the county will need a picture showing where on the parcel the sign is posted. This image can be emailed, mailed or dropped off in person. If you have any further questions please feel free to contact me.
