Hi again Chelsea & Holly -- per below and attached, this is confirmation that I started in January and the package will be submitted next Tuesday to Dr. Mau, and per earlier e-mail Dr. Mau has been consulting with Rich the Engineer during the past 4+ months project of putting the package together. Thank you! Best wishes, Heidi

To whom it may concern.

This message is tendered to confirm that Heidi Bright is earnest in pursuit of the Brightside Vintage Farm events venue.

Columbia Northwest Engineering, PS, (CNWE) a consulting Engineering Company was retained by Heidi Bright of Brightside Vintage Farm, Ellensburg, Washington to prepare a Group A-TNC Water System Plan.

As Heidi's consultant, CNWE, was originally contacted and began services in January, 2019. The application package has been completed and will be submitted to DOH the week of April 29th for review by the State Department of Health Regional Engineer.

Consulting costs to prepare such Group A-TNC Water Systems Plan set of application plans for DOH review range from \$8,000 to \$10,000. These plans must be approved before any new water system construction can occur.

Thank You

M. Rich Walpole, PE
