

To Protect and Promote the Health and the Environment of the People of Kittitas County

Memo

To: Kelly Bacon, Planning Official
From: Jesse Cox, Environmental Health Supervisor
Date: February 3, 2020
Subject: CU-19-00006

Thank you for the opportunity to comment on the Indian Camp Campground project regarding water and septic requirements to comply with Kittitas County Public Health Department's Environmental Health requirements. The project is serviced by existing facilities and does not propose any on-site septic or groundwater needs. No information is required for further review prior to any determinations leading to recommendation for approval.
