The Department of Public Works has reviewed the permit for the WFDW Durr Road Conditional Use Permit and has the following comments:

- A. The Indian Camp Campground will use the existing accesses to Teanaway Road.
- B. The expansion is exempt from road and grading permits. **Kittitas County Road Standards 14.05.060 Exemptions** excludes construction activities performed by a state or federal agency with oversight of a licensed civil or geotechnical engineer.
- C. The road network is required to meet International Fire Code Standards. Portions of the proposed roadways do not meet IFC minimum width requirements. Additional coordination with the Kittitas County Fire Marshall may be required.
