Subject: Corrected Notice of Application - CU-19-00006 Indian Camp Campground

Good afternoon,

It has been brought to my attention that the link for the External folder to the Indian Camp Campground Conditional Use Permit documents does not work, therefore I am sending a Corrected Notice of Application email with instructions on how to navigate to our conditional use permits located on our County Website. This does not affect the comment deadline for this proposal. Please let me know if there are any further issues viewing the documents.

Please review the Conditional Use permit application for the Indian Camp Campground extension. Washington State Department of Natural Resources issued an MDNS on December 13, 2019 and Kittitas County Adopted the Project Specific SEPA MDNS on January 17, 2020 pursuant to WAC 197-11-600(4) for the purposes of environmental review of the Indian Camp Campground Expansion Project. Comments for this application are due by 5pm on Wednesday, February 5, 2020. Feel free to contact me directly with any questions.

External access: The submitted application and related filed documents may be examined by external agencies and the public on the CDS website at <https://www.co.kittitas.wa.us/cds/land-use/default.aspx>, under “Conditional Use Permits” then navigate to permit number “CU-19-00006 Indian Camp Campground,”

Thank you,
