Rachel:

The Department of Health (DOH) Office of Drinking Water (ODW) has the following comment:

1. Will the public – i.e., those who use the storage facilities – have access to the drinking water system for any drinking, toilets, or hand-washing? If “yes”, then the water for this development would be considered a public water system and require submittal of a water system application as a Group A (to DOH ODW) or Group B (to Kittitas County Health), depending on the population of customers accessing the site.

That is my only comment, thanks,
