Kelly, I'm laid up from surgery and didn't have a chance to sign Patricia's letter. Can you please keep us in the loop on any communications? I'm adding my husband's email.

Subject: Notice Request regarding Hidden Point LLC CUP (CU-20-00005)

Importance: High

Kelly,

I understand that someone in our community inquired this week about receiving notice and that it was stated that only those within 500 feet of the proposed CUP would receive notice. Unionville Ranch is one of the contiguous properties and thus should be receiving notice. However, my understanding is that if anyone requests in writing to be notified that they will receive notice. You should have received the community opposition letter to the CUP which was sent to you and Dan Carlson on Monday, December 14, both electronically and via a hard copy that was delivered to your office for which I have received both stamped and electronic confirmation. That opposition letter formally and specifically requested that everyone whose signature and information attached wanted to receive all notifications in conjunction with the CUP (CU-20-00005). The letter sent was signed by 61 individuals in the community that should receive notice as requested.

I have received more signatures and I will be forwarding these along with their contact information to you this week.

Please confirm that everyone who has signed and provided their contact information will receive all notices as formally requested in writing.
