Kelly:

For Department of Health (DOH) Office of Drinking Water (ODW), we are seeking confirmation that this application regards the following public water system:

Hidden Point	Act	AD906J	KITTITAS	EA	B
--------------	-----	--------	----------	----	---

For this system, Kittitas County Health approved the drinking water system, as a Group B, circa July 31, 2020 and shows as 8 existing cabins/connections.

If your answer is “yes”, that this named water system is associated with this application, then DOH ODW only has one comment:

1. For the complete set of cabins, this water system would transition to a Group A water system and requires an application submittal DOH ODW for review and approval.

That covers comments from DOH ODW, thanks,

Good morning,

Kittitas County CDS is requesting comment on the Conditional Use application CU-20-00005 Hidden Point.

The proposed project is for a "Guest Ranch or Guest Farm" providing overnight lodging, dining and recreational facilities in a rural setting. All application documents can be found at the links below. I have also attached the SEPA Checklist for recording. CDS is using the optional DNS process for this application. Please let me know if you have any issues accessing the materials. Please submit any comments for this application by 5pm on Monday, January 4, 2021. If CDS does not receive comments by this date, we will assume your agency has no interest in the application.
