Subj: Attachment to Colonel Trafton's 12-18-2020 letter

Dear Commissioners,

While not being a fulltime resident on Lookout Mt I have owned property at 4284 Emerck Rd. for 20 years now, spending more time there than any other non resident

**During my first few years there were no full time residences**

The Putnams were building their home and I became good friends with them and involved with volunteer work on the road.

Over the years more property owners got involved and we all worked together on a total voluntary basis

I am in total agreement with Colonel (like) Trafton on his letter and concerns

In Hidden Point LLC I see a total disregard for neighbors talking with neighbors and working together for the benefit of everyone involved

Truthfully,

John Huber
