Hi Kelly -

Thanks for calling me back to double check your email address. Hopefully I've got it correct this time! Thank you also for answering all of my earlier questions regarding the process.

In follow-up to our discussion, I would like to receive all future notices regarding the Hidden Point project (CU-20-00005). Please find my address below. Let me know if you need any additional information. Please also confirm that you received this email so that I know I didn't make any more typos in your email.

I also look forward to hearing whether we can submit a video at the public hearing.

Thank you again!

Theresa
