Kelly:

The Department of Health (DOH) Office of Drinking Water (ODW) has the following comment:

- For "Utilities", the applicant identifies an on-site well. If water is being provide to customers or staff/employees working on-site, then that use of the water is considered "public" and the applicant would need to apply for a Group A (administered by DOH ODW) or Group B (administered by Kittitas County Health), depending on the population being served, public water system.

That is our only comment at this time, thanks,

External Email

Good morning,

Kittitas County CDS is requesting comment on the Conditional Use application CU-20-00006 Swiftwater Storage.

The proposed project would establish 12 mini warehouse facilities, 3 carport style roof-over-concrete structures, uncovered boat and RV storage and a single family residence. All application documents can be found through the links below. I have also attached the SEPA Checklist for recording. Please let me know if you have any issues accessing the materials. Comments are due for this application by 5pm on March 17, 2021. If CDS does not receive comments by this date, we will assume your agency has no interest in the application.
