I have a site visit at Ronald at 10:30 and would not be able to do 10:00 am. We Kelly and I could meet at Swiftwater at 12 and then meet up at Sweetwater at 2

Good afternoon,

Thank you for the quick response. I have tied Jeremy Johnston in to the conversation as well, as he will be attending all three of the site visits.

Would it be at all possible to complete:

- 10am - Swiftwater Site visit
- 12pm - Jeremy and Chelsea's Kachess Lane Site Visit
- 2pm - Sweetwater site visit

I know that spreads Lori's visits out significantly and I'm open to additional ideas. Just trying to

capture all three in one day to help with travel.

Thank you,

Kelly Bacon

Hello,

I would prefer the 15th as I have a site visit in Cle Elum at noon that day.

Good Morning Kelly,

I am copying Chelsea on this response, as she is the Shoreline PM and should be present, if available for the Sweetwater project site visit.

I currently have a site visit scheduled for Ronald on the 7th at 10:30. I could do the afternoon, especially since I will be in the area. Maybe noon for the Swiftwater site, since it is close and then go to the Sweetwater site?

If the 7th doesn't work, the 15th would be better for me the following week. Any time before 4 pm.

Chelsea, what is your availability to visit Sweetwater?

Good afternoon Lori,

DOE has requested a joint site visit for both the Swiftwater Storage Projected in Upper County along with Sweetwater Ranch located north of Ellensburg. Would it be possible with your schedule to schedule these on the same day? I have the following dates available:

April 6th or 7th

April 13th, 14th or 15th

Please let me know if one of these dates would work for your schedule and if it would be possible to complete both sites in one day.

Thank you,

Kelly Bacon
