RE: Determination of Water Budget Neutrality for Request No. G4-36084

Dear David & Leann Adams and William & Constance Craig:

The Department of Ecology (Ecology) has processed Request for Determination of Water Budget Neutrality G4-36084 (G4-36084). Ecology's evaluation of G4-36084 found that Ecology could not determine that the project would be water budget neutral with the provided mitigation. Because Ecology could not determine that G4-36084 would be water budget neutral, your application is **denied**.
