

Apostolic Faith United Pentecostal Church

10 Year Plan

Year 1 – 5

The goal for years 1 through 5 is to increase attendance. We would like to advertize the church location and services. There is no need to do any building changes unless the attendance is increased. We would like to begin having Sunday school classes in addition to the Sunday morning worship & Word. These classes would be held just prior to the Worship time or at the same time. We would also like to promote our Life In Focus classes which is a community service providing classes in anger management.

Year 6 – 10

The plan for years 6 – 10 will be to service the parishioner's needs. Based on the needs at that time we will reevaluate the service times and Sunday school times. We do not anticipate, at this time, any construction to the building as the building currently has plenty of growth potential.
