Calvary Ellensburg (CE) Response to comments received regarding the Conditional Use Permit Application (CU-22-00002) during the comment period:

Received May 19, 2022, Cascade Irrigation District

CE has no comments at this time for Cascade Irrigation District

Received May 20, 2022, Department of Health - Office of Drinking Water

CE plans on following through on the Phase 1 plan for drinking water to disconnect our on-site well and connect to the City's drinking water system.

Received May 20, 2022, Snoqualmie Tribe

CE has no comments at this time for The Snoqualmie Indian Tribes Department of Archaeology and Historic Preservation

Received May 24, 2022, City of Ellensburg - Public Works

CE Plans on following the County Guidelines/Requirements for, and stormwater and parking for building permits in phase 1 applied for before the City-county interlocal agreement goes into effect In December of 2022. For phase 2 permits applied for after the city-county interlocal agreement goes into effect, CE will follow the city Guidelines/Requirements for stormwater and parking.

Received May 31, 2022, Kittitas County Public Health

CE has no comments at this time for Kittitas County Public Health

Received June 2, 2022, Department of Archaeological & Historic Preservation

CE plans on providing a professional archaeological survey report before construction activities begin.

Received June 2, 2022, Department of Ecology

CE does not foresee a potential for stormwater discharge from a construction site for phase 1 of the construction but will have standard erosion control measures in place before clearing, grading, or construction.

Received June 3, 2022, Department of Fish & Wildlife

CE does not plan to alter the East Branch Lyle Creek (irrigation channel) currently managed for irrigation deliveries by Cascade Irrigation District. The irrigation channel is currently piped underground through the CE property and will not be affected by the planned construction projects in phase 1 & 2.

Received June 6, 2022, Randy Startin - Public Comment

CE currently does an outdoor church service and an occasional outdoor worship service starting in the spring and ending in the fall. These outdoor services are once-a-month and sometimes twice a month in June and July. CE would like to assure Randy Startin that with the expansion in phase 2, there will not be any changes to the current outdoor services; we simply would like to provide a permanent outdoor pavilion instead of the temporary stage we now use and provide outdoor restrooms for convenience. CE will follow the Kittitas County Code concerning Chapter 9.45 Noise Control
