Kelly:

Kittitas County Health (Holly) has provided confirmation that the water provided for the applicant is an approved Group B water system. Kittitas County Health has sole authority to administer Group B water systems in Kittitas County, so DOH ODW does not have any comments.

Kelly:

The SEPA shows “water” is available on-site – what is the source of that water? Specifically, is this school served water by another public water system (if “yes”, please provide that name) or does it have its own water system (and, similarly, please provide that name)?

I searched for this in our DOH ODW records and do not find anything.
