Good afternoon Amber,

The parcel number was correct but the address was incorrect on the DNS. I will speak with the Director and see how we go about correcting the DNS. Thank you for your review!

Notes from the admin:

Hi Kelly, Did the address change for this proposal? The attached DNS has an address from Manashtash Rd. This seems to have changed from the ODNS/NOA which was an address on Emerson Rd. Is that a template error or changes in the road system? Thank you, Amber
