Good Afternoon, Jeremy –

Public Health has no comment on this project. Since the proposed Evergreen Ridge PUD is already served by an approved Group A Community system and an approved Large On-Site Sewage system, we foresee no issues with final approval by our Health Officer.

Thank You,

**Subject:** Evergreen Ridge PUD Parcel B Div 2 Final Plat review LFP-18-00002

Good afternoon,

We have received a final plat submittal for the Evergreen Ridge PUD Parcel B Division 2 (LFP-18-00002). This was given preliminary approval on May 16, 2006 and was processed under file number RZ-01-00010. All final plat documents can be found on the t-drive: <T:\CDS\Projects\Final Plats\2018\LPF-18-00002 Evergreen Ridge>. Please let me know if there is documentation you need to review that you are unable to find. Paper copies have been routed. In addition, everything is available digitally.

Please have all comments back to me no later than end of day, **Friday May 4<sup>th</sup>**. As a reminder all final plats have to be reviewed and approved or denied by the commissioners within 30 days of submittal to the county requesting final plat review. We appreciate your quick turnaround on this.

If you have any questions, please let me know.
