Dear Marc,

I have completed a review of both Forest Ridge #1 and Forest Ridge #2, Group B water system designs. This letter serves as verification that the designs for both systems are approved.

Thank you for this opportunity to comment. Please give me a call if you should have any questions or wish to discuss any items. Otherwise, I will be looking for the bond for both systems in the near future.

Sincerely,

A handwritten signature in blue ink that reads "Holly Erdman".
