Re: Pass Life Way, Phase 3 (center parcel), parcel #957885

To whom it may concern:

The District has reviewed the center parcel engineering plans and are satisfied with the design for the water and sewer system. The District has also accepted their application and approved the project for 16 water and sewer connections. The District has signed and provided the applicant with copies of the Kittitas County Adequate Water Supply Form A. The District supports this project in moving forward.

Please feel free to contact me at 425.434.6600 if you have any questions.

Sincerely,

Tom Hastings
General Manager
Snoqualmie Public Utility District
