to use, at its option, the name of such Assured for this purpose. Whenever requested by the Company, an Assured, at the Company's expense, shall give the Company all reasonable aid in any action or proceeding, securing evidence, obtaining witnesses, prosecuting or defending the action or lawful act which in the opinion of the Company may be necessary or desirable to establish the title to the estate or interest as stated herein, or to establish the lien rights of the Assured. If the Company is prejudiced by the failure of the Assured to furnish the required cooperation, the Company's obligations to the Assured under the Guarantee shall terminate.

5. Proof of Loss or Damage.

In addition to and after the notices required under Section 2 of these Conditions and Stipulations have been provided to the Company, a proof of loss or damage signed and sworn to by the Assured shall be furnished to the Company within ninety (90) days after the Assured shall ascertain the facts giving rise to the loss or damage. The proof of loss or damage shall describe the matters covered by this Guarantee which constitute the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage. If the Company is prejudiced by the failure of the Assured to provide the required proof of loss or damage, the Company's obligation to such assured under the Guarantee shall terminate. In addition, the Assured may reasonably be required to submit to examination under oath by any authorized representative of the Company and shall produce for examination, inspection and copying, at such reasonable times and places as may be designated by any authorized representative of the Company, all records, books, ledgers, checks, correspondence and memoranda, whether bearing a date before or after Date of Guarantee, which reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Assured shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect and copy all records, books, ledgers, checks, correspondence and memoranda in the custody or control of a third party, which reasonably pertain to the loss or damage. All information designated as confidential by the Assured provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Assured to submit for examination under oath, produce other reasonably requested information or grant permission to secure reasonably necessary information from third parties as required in the above paragraph, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this Guarantee to the Assured for that claim.

6. Options to Pay or Otherwise Settle Claims: Termination of Liability.

In case of a claim under this Guarantee, the Company shall have the following additional options:

- (a) To Pay or Tender Payment of the Amount of Liability or to Purchase the Indebtedness.

The Company shall have the option to pay or settle or compromise for or in the name of the Assured any claim which could result in loss to the Assured within the coverage of this Guarantee, or to pay the full amount of this Guarantee or, if this Guarantee is issued for the benefit of a holder of a mortgage or a lienholder, the Company shall have the option

to purchase the indebtedness secured by said mortgage or said lien for the amount owing thereon, together with any costs, reasonable attorneys' fees and expenses incurred by the Assured claimant which were authorized by the Company up to the time of purchase.

Such purchase, payment or tender of payment of the full amount of the Guarantee shall terminate all liability of the Company hereunder. In the event after notice of claim has been given to the Company by the Assured the Company offers to purchase said indebtedness, the owner of such indebtedness shall transfer and assign said indebtedness, together with any collateral security, to the Company upon payment of the purchase price.

Upon the exercise by the Company of the option provided for in Paragraph (a) the Company's obligation to the Assured under this Guarantee for the claimed loss or damage, other than to make the payment required in that paragraph, shall terminate, including any obligation to continue the defense or prosecution of any litigation for which the Company has exercised its options under Paragraph 4, and the Guarantee shall be surrendered to the Company for cancellation.

- (b) To Pay or Otherwise Settle With Parties Other Than the Assured or With the Assured Claimant.

To pay or otherwise settle with other parties for or in the name of an Assured claimant any claim assured against under this Guarantee, together with any costs, attorneys' fees and expenses incurred by the Assured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay.

Upon the exercise by the Company of the option provided for in Paragraph (b) the Company's obligation to the Assured under this Guarantee for the claimed loss or damage, other than to make the payment required in that paragraph, shall terminate, including any obligation to continue the defense or prosecution of any litigation for which the Company has exercised its options under Paragraph 4.

7. Determination and Extent of Liability.

This Guarantee is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Assured claimant who has suffered loss or damage by reason of reliance upon the assurances set forth in this Guarantee and only to the extent herein described, and subject to the Exclusions From Coverage of This Guarantee.

The liability of the Company under this Guarantee to the Assured shall not exceed the least of:

- (a) the amount of liability stated in Schedule A or in Part 2;
(b) the amount of the unpaid principal indebtedness secured by the mortgage of an Assured mortgagee, as limited or provided under Section 6 of these Conditions and Stipulations, at the time the loss or damage assured against by this Guarantee occurs, together with interest thereon; or
(c) the difference between the value of the estate or interest covered hereby as stated herein and the value of the estate or interest subject to any defect, lien or encumbrance assured against by this Guarantee.

8. Limitation of Liability.

- (a) If the Company establishes the title, or removes the alleged defect, lien or encumbrance, or cures any other matter assured against by this Guarantee in a reasonably diligent

GUARANTEE CONDITIONS AND STIPULATIONS (Continued)

manner by any method, including litigation and the completion of any appeals therefrom, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused thereby.

- (b) In the event of any litigation by the Company or with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals therefrom, adverse to the title, as stated herein.
- (c) The Company shall not be liable for loss or damage to any Assured for liability voluntarily assumed by the Assured in settling any claim or suit without the prior written consent of the Company.

9. Reduction of Liability or Termination of Liability.

All payments under this Guarantee, except payments made for costs, attorneys' fees and expenses pursuant to Paragraph 4 shall reduce the amount of liability pro tanto.

10. Payment of Loss.

- (a) No payment shall be made without producing this Guarantee for endorsement of the payment unless the Guarantee has been lost or destroyed, in which case proof of loss or destruction shall be furnished to the satisfaction of the Company.
- (b) When liability and the extent of loss or damage has been definitely fixed in accordance with these Conditions and Stipulations, the loss or damage shall be payable within thirty (30) days thereafter.

11. Subrogation Upon Payment or Settlement.

Whenever the Company shall have settled and paid a claim under this Guarantee, all right of subrogation shall vest in the Company unaffected by any act of the Assured claimant.

The Company shall be subrogated to and be entitled to all rights and remedies which the Assured would have had against any person or property in respect to the claim had this Guarantee not been issued. If requested by the Company, the Assured shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect this right of subrogation. The Assured shall permit the Company to sue, compromise or settle in the name of the Assured and to use the name of the Assured in any transaction or litigation involving these rights or remedies.

If a payment on account of a claim does not fully cover the loss of the Assured the Company shall be subrogated to all rights and remedies of the Assured after the Assured shall have recovered its principal, interest, and costs of collection.

12. Arbitration.

Unless prohibited by applicable law, either the Company or the Assured may demand arbitration pursuant to the Title Insurance Arbitration Rules of the American Land Title Association. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Assured arising out of or relating to this Guarantee, any service of the Company in connection with its issuance or the breach of a Guarantee provision or other obligation. All arbitrable matters when the Amount of Liability is \$2,000,000 or less shall be arbitrated at the option of either the Company or the Assured. All arbitrable matters when the amount of liability is in excess of \$2,000,000 shall be arbitrated only when agreed to by both the Company and the Assured. The Rules in effect at Date of Guarantee shall be binding upon the parties. The award may include attorneys' fees only if the laws of the state in which the land is located permits a court to award attorneys' fees to a prevailing party. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

The law of the situs of the land shall apply to an arbitration under the Title Insurance Arbitration Rules.

A copy of the Rules may be obtained from the Company upon request.

13. Liability Limited to This Guarantee; Guarantee Entire Contract.

- (a) This Guarantee together with all endorsements, if any, attached hereto by the Company is the entire Guarantee and contract between the Assured and the Company. In interpreting any provision of this Guarantee, this Guarantee shall be construed as a whole.

WATER NOTES

On February 8, 2017 Chicago Title and Eriensburg Water Company were contacted to find any information regarding the utilities being underground in the Town of Palomino. The utilities were not located. It is the responsibility of the surveyor to locate the utilities. The surveyor believes there is at least a prescriptive easement for said ditch but we do not have any documentation to prove this or even define said ditch other than the surveyed location shown on this survey.

PALOMINO FIELDS PLAT - DIVISION II

A PTN. OF THE E 1/2 OF THE NW 1/4 OF SECTION 27, TOWNSHIP 18 NORTH, RANGE 18 EAST, W.M. KITTITAS COUNTY, WASHINGTON

S U R V E Y O R ' S N A R R A T I V E

O R I G I N A L P R O P E R T Y D E S C R I P T I O N

1. Historically the different location of the north quarter corner of Section 27 Township 18 North, Range 18 East, W.M. have been used. In 1877 via the short plat recorded under Kittitas Co. Auditor's File Number 448140, a monument was set. Subsequently the monument was removed possibly under road reconstruction. In 1939 Number 438177's plat and washer Kittitas with a note that Kittitas Co. Public Works will set a monument in a monument case with future road maintenance in the vicinity. The location of these two monuments differ by 28.24 feet.

2. The 3-inch brass cap monument found at the intersection of Rescor boundary of the northwest quarter of said section 27. By holding this monument property on the north side of this line had the fewest apparent negative impacts, while the property immediately on the south side absorbed all the decrease in size. In addition, most performed construction of the 1981 have resulted on this monument as the location of the north quarter corner.

3. However, the 1877 monument location was held for the purpose of locating the following three parcels:
Kittitas Co. Short Plat No. A-22 recorded under AFN 448140
Tract 1 of Statutory Warranty Deed recorded under AFN E0141060031
Tract 2 of Statutory Warranty Deed recorded under AFN E0141060031

4. The west quarter corner of Section 27 recorded on said Auditor's File Number 440 was calculated. However, on an accepted as said west quarter corner. During this survey said 1-1/4 inch iron pipe was found and accepted as said west quarter corner.

5. The county road right of way for Rescor Creek Road has been defined differently by various plats along Rescor Creek Road. After contacting Kittitas County and doing independent records research we found no specific description of said right of way other than the previously recorded plat. Therefore with no other evidence, we have set the Rescor Creek as generating the northwest quarter of the northwest quarter of said section 27 as coincident with the east boundary of the northwest quarter of said section. The said centerline matches that of said Auditor's File Number 448140.

6. The remaining property is identified on Sheet 1 of 7 of this plat as the property description contained herein please see the owner of said property own addition adjoining property in this general area.

7. The Kittitas County Auditor combined Parcel F, Parcel G, and Parcel H into one County Tax Parcel - Tax Parcel 11802.

8. Areas denoted with Note 14 should be vacated by the Kittitas County Commissioners because it is excess property relative to the road right-of-way needs. In order to accomplish this vacation, an applicant is required to complete a Vacation Application for review by the Kittitas County Commissioners and approved by said county commissioners.

Contract for Reimbursement Under Water and Sewer Facilities Act
(RCW 35.91) For Sewer and Water Facilities

This AGREEMENT, made this 17 day of July, 2008, between SSHI, LLC dba D. R. Horton and the City of Ellensburg, situated in Kittitas County, Washington, the parties respectively referred to herein as "Owner" and "City"

WITNESSETH:

RECITALS

- 1.) The City owns and operates a sewer and water system within and adjacent to its limits.
- 2.) The Owner has constructed under this agreement with the city, pursuant to the requirements to serve water & sewer to the Black Horse Project (south property line). Certain extensions to said system more particularly shown in Figures 1, 2 and 3 attached hereto and incorporated herein by this reference, which additions are capable of serving the Owner's Plat, and other adjacent areas. The improvement involves water and sewer line to be installed in Reecer Creek Road and Bender Road Right of Ways to serve the Black Horse Project. This agreement is for the value of a City standard 8" utility main.
- 3.) The extensions to said system shown on Figures 1, 2 and 3 are located within the area served by the City and will be accepted by the City for maintenance and operation.
- 4.) The cost of construction of the extensions shown in Figures 1, 2 and 3 are shown on attached Exhibits:

Exhibit A: Sewer Main Extension South of John Wayne Trail	
Located on Reecer Creek Road	\$ 111,777.60
Sewer Extension - North of John Wayne Trail	\$ 149,319.90
Exhibit B: Water Main Extension - Reecer Creek Road	\$ 35,504.50
Water Main Extension - Bender Road	\$ 471,035.10
Exhibit C: Water and Sewer System - Oversizing	\$ 40,919.80

- 5.) The parties further acknowledge that \$35,275.00 of the cost of the improvement for the water main and \$5,644.80 for the sewer main represents the cost of oversizing of the utilities which benefits the entire City water system and were installed for the purpose of servicing future water and sewer system customers, and for which the City will pay to the developer under separate agreement.
- 6.) The parties agree that the area benefited by said extensions amounts to 2558 front feet along Reecer Creek Road for sewer and 3893 front feet along Bender Road and 200 along Reecer Creek Road for water of which one half, along property frontage and 100% offsite is directly attributable to the owner. The remaining benefited property (future service area) resulting in a fair pro rata share of the cost of construction of said extensions, to be collected from the owner or owners of any parcel benefited thereby who tap or connect to said system. The new extensions shall be reimbursed on a front footage and or square footage basis. The reimbursement for the watermain on Reecer Creek Road shall be a per front foot charge of \$88.76 and \$60.50 for Bender Road to the properties indicated on Figure 2. The reimbursement for the sewer main on Reecer Creek Road shall be a per foot charge of \$51.04 South of the John Wayne Trail and \$56.76 North of the John Wayne Trail to the properties indicated on Figure 1 and Figure 3.
- 7.) The City and the Owner desire to and intend by this agreement to provide for collection of the fair pro rata share of the cost of construction of said extension from the owner(s) of the benefited properties shown on Figures 1, 2 and 3 who did not contribute to the original cost thereof, under the provisions of the Municipal Water and Sewer Facilities Act, Chapter 35.91 RCW, provided that nothing contained herein shall be construed to affect or impair in any manner the right of the City to regulate the use of its said system of which the extensions shown on Figure 1 & Figure 2 shall become a part under the terms of this contract, pursuant to provisions of any Resolution, or policy now or hereafter in effect. The imposition by the City of any such requirements shall not be deemed an impairment of this contract though it may be imposed in such manner as to refuse service to an Owner of the benefited property to secure compliance with such requirements of the city.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereafter set forth it is agreed by and between the parties hereto as follows:

- a.) All of the recitals set forth above are adopted by the parties as material terms of this agreement.
- b.) Owner shall transfer title free and clear of all encumbrances, to the extension shown in Figures 1, 2 and 3 by a Bill of Sale to be executed and delivered by the Owner to the City upon acceptance of said extensions for maintenance by the

City, which instrument shall contain Owners warranty that is has good title and the right to convey said extensions, and that it will warrant and defend the City against any claim of interest therein asserted by any third person, that it will guarantee the workmanship and materials in said facility for a period of one year after date of acceptance by the City, and that it warrants said extension to be fit for the use for which it is intended.

- c.) Owner further warrants that it is the owner in title absolute of the extensions shown in Figures 1, 2 and 3, that it has neither permitted nor suffered any person or other entity to tap onto said extension prior to the date of this agreement; that the sum of \$60.50 & \$88.76 (for water) and \$51.04 & \$56.76 (for sewer) per lineal front foot is a fair pro rata charge to be assessed against the owner(s) of each parcel within the benefited premises (future service area), as shown on Figures 1, 2 and 3 who subsequently tap onto or connect to said facility, and to further warrant that there are no persons, firms or corporations who have filed or have the right to file a lien against said extensions per provisions of Title 60 RCW. In the event any lien or other claim against said extensions is asserted after conveyance to the City, which lien or claim arose on or prior to such conveyance, then the Owner shall defend and save harmless the City from loss on account thereof, and in the event the City shall be put to any expense in defense of such claim or otherwise, then the City shall have a lien against any funds then or thereafter deposited with it pursuant to this agreement.
- d.) In consideration of the conveyance of the extensions shown in Figures 1, 2 and 3 the City agrees to accept said extension for maintenance as a part of its facility, after inspection and testing by the City. The City further agrees to collect from the owners of the realty benefited by said line who have not heretofore contributed to the cost of construction thereof, and who subsequently tap onto or use the same, a fair pro rata share of the cost of such construction based upon the sum of \$60.50 & 88.76 (for water) and \$51.04 & \$56.76 (for sewer) per lineal front foot; unit charges shall be conclusively presumed to be a fair pro rata charge against the benefited parcel(s). In addition to the amounts agreed to be collected by the City in this paragraph, the City shall charge in addition to its usual and ordinary charges made against persons applying for service from said facility a sum equal to fifteen percent of the amount agreed in this paragraph by the City to be collected for Owner from person tapping onto said facility, which sum shall be used by the City to defray the cost of labor, bookkeeping and accounting pursuant to the terms of this agreement.
- e.) The City shall pay to the Owner the sums agreed by it to be collected pursuant to the provisions of the preceding paragraph, within sixty (60) days after receipt by the City at the address of the Owner as set forth hereinafter or at such other address as the Owner shall provide by Certified mail. If said payments are returned to the City unclaimed by the Owner or if the City is

unable to locate the owner, after six (6) months, the City shall retain all sums then received and all future sums collected under this agreement.

- f.) In the event of the assignment or transfer of the rights of the Owner voluntarily, involuntarily, or by the operation of law, the City shall pay any benefits accruing hereunder, after notice, to the successor of the Owner as the City, in its sole judgment, deems entitled to such benefits; and in the event conflicting demands are made upon the City for benefits accruing under this agreement, then the City may at its option commence an action in interpleader joining any party claiming rights under this contract, or other parties which the City believes to be necessary or proper and the City shall be discharged from further liability upon paying the person or persons whom any court having jurisdiction of such interpleader action shall determine, and in such action the City shall be entitled to recover its reasonable attorney's fees and costs, which fees and costs shall constitute a lien upon all funds accrued or accruing pursuant to this agreement.
- g.) The City agrees not to allow any Owner or user of any benefited property as described in Figures 1, 2 and 3 (future service area) to tap onto said facility without such owner or user having first paid to the City a sum equal to the fair pro rata charge hereinabove set forth.
- h.) The City shall be entitled to rely with acquittance on the provisions of this contract with respect to the fairness of the pro rata charge herein provided, and upon the description of the benefited properties set forth in Figure 1 and Figure 2 and Figure 3 (future service area).

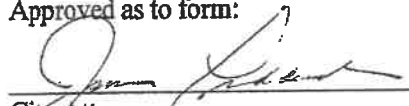

i.) This agreement shall become operative upon its being recorded with the Auditor of the County in which any of the benefited lands are situated, at the expense of the Owner, and shall remain in full force and effect for a period of fifteen years after the date of such recording, or until the owner, or its successors or assigns, shall have been fully reimbursed as aforesaid, whichever event occurs earlier, provided, that in the event the additions shown on Figures 1, 2 and 3 or any portions thereof shall, during the term of this agreement, be rendered useless by the redesign or reconstruction in the absolute judgment of the City Engineer, then the City's obligation to collect for the Owner of the tapping charges provided pursuant to this agreement shall cease.

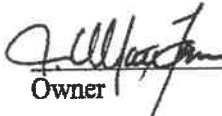

IN WITNESS WHEREOF, the parties have hereunto set their hands and official seals the day and year first above written.
