Hi Jeremy;

The only thing I can see is on the second page. In the left top corner, were the owner of the parcel is listed is not consistent with what is on TaxSifter.

Thanks,

haley

Subject: Final Plat Review Request LPF-21-00010 Tiger Plat

Good Morning,

CDS has received a final plat application, file number LPF-21-00010 Tiger Plat. This application received preliminary approval under file number LP-08-00022. Below is a link to the final plat application submittals which also contains the preliminary approval Resolution (2009-149). The large format plat map was originally submitted in 2010 and partially reviewed at that time. The applicant has been informed that this plat map will require a new surveyor signature/certificate and a new signature from current Public Works Engineer for final approval. He has agreed to provide these following the initial review utilizing the old mylars. Please submit any comments or revision requirements by October 18, 2021 at 5pm. Let me know if you have any issues accessing the documents.
